Commissioner for Patents

The IDS references submitted 1/12/07 have been considered and the 1449 initialed/signed/dated. The present IDS is being considered after allowance (11/10/06). Consideration is given based on Applicant's Transmittal of New Application filed 10/31/03, where page 2 of the transmission sheet indicates that Applicant submitted 2 IDS's & 1449's (same as those filed in parent, 09/377,081), only one of which ultimately physically received/scanned in. Applicant appears to have made a bona fide attempt to get the references submitted before the Office in this application and considered (as evidenced by this same IDS/1449 being submitted in parent), and the references have therefore been considered as having been timely filed.
